- Each September some children return to school with few or none of the required books. Often times it is many weeks before they are provided with a full set. This is most unfair on them and places them at a great disadvantage and so we urge all parents to ensure that their children have everything needed for the new school year.
- In addition to your child's text books there are ancillary materials used in the classroom. Early in September 2017 you will receive a bill from the school known as 'Material Costs'. For 2<sup>nd</sup> class pupils this covers the cost of photocopying, art and craft materials, swimming lessons and 24 hour pupil insurance.

### Book Rental Scheme

Second classes are included in Book Rental Scheme this year. They will be participating in 'Power Hour' and using class novels throughout the year. Therefore English books will be available to be used as required. Hence the readers have been removed from the booklist. The cost of rental is €5.
