- All activity books must be purchased new.
- Each September some children return to school with few or none of the required books. Often times it is many weeks before they are provided with a full set. This is most unfair on them and places them at a great disadvantage and so we urge all parents to ensure that their children have everything needed for the new school year.
- In addition to your child's text books there are ancillary materials used in the classroom. Early in September 2017 you will receive a bill from the school known as 'Material Costs' this covers the cost of your child's photocopying, art and craft materials, swimming lessons and 24 hour pupil insurance.
