- The 'Jolly Phonics Pupil Book 2' textbook will be purchased by the school at a discount price. It will be approximately €3.60 and will be charged to parents as part of the 'Material Costs' which are issued in September.
- Each September some children return to school with few or none of the required books. Often times it is many weeks before they are provided with a full set. This is most unfair on them and places them at a great disadvantage and so we urge all parents to ensure that their children have everything needed for the new school year.
- In addition to your child's text books there are ancillary materials used in the classroom. Early in September 2017 you will receive a bill known as 'Material Costs'. For Senior Infants this covers the cost of Art & Craft materials, photocopying, phonics book and 24 hour Pupil Insurance cover.
- €3 for Bua na Cainte will be charged to parents as part of the 'Material Costs' in September.

Book Rental Scheme

Senior Infants are included in Book Rental Scheme this year. They will be participating in 'Power Hour' during the year and English books will be available to be used as required. Hence the readers have been removed from the booklist. The cost of rental is €5, which you may have paid already.
